Order of damage	Renter's participation
First damage	0% renter's participation
Second damage	30% renter's participation
Third and each subsequent damage	50% renter's participation

The number of damages is counted for the duration of each individual rental agreement.

EXCLUSION OF INSURANCE COVERAGE

The stated rules on participation in damages do not apply if the damage occurred:

- intentionally or through gross negligence
- while operating the vehicle under the influence of alcohol, drugs, or other prohibited substances
- while the vehicle was operated by a person not authorised under the rental agreement
- without an appropriate driving licence
- by using the vehicle contrary to the contract or its intended purpose

- through any other conduct that leads the insurance company to refuse or reduce insurance coverage

In such cases, the renter may be liable up to the full amount of the damage incurred and all associated costs.

RENTER'S RESPONSIBILITY

The renter is obliged to use the vehicle with the care of a diligent operator and to return it in the condition in which it was received, subject to normal wear and tear resulting from regular use.

All traffic, parking, and other fines incurred during the rental period shall be borne by the renter.

In the event of a traffic accident, damage, theft, or other incident, the renter is obliged to contact MT Rent without delay and act according to the instructions received.

LONGER-TERM RENTAL

For rentals longer than one month and for business clients, it is possible to arrange individual commercial terms and rental prices.

VEHICLE AVAILABILITY

The vehicle offer depends on availability. MT Rent reserves the right to offer another vehicle of the same or higher category if the selected model is not available at the start of the rental period.
